Canvas	EEE	Task
•	•	Designated location for syllabus
•	•	Use rich text formatting
•	—	Embed videos in web pages
•	—	Allow the use of mathematical symbols
•	•	Distribute files
—	•	Automatically format an image gallery
•	—	Easily link to course content in other tools
•	—	Record and distribute audio and video recordings
Assignments		
Canvas	EEE	Task
•	•	Collect documents and other files from students
•	•	Set assignment deadlines and due dates
•	—	Provide in-text comments on assignments
•	—	Conduct peer review
•	—	Collect a single grade for a group

•	—	Provide a group work space
•	—	Provide audio/video feedback on assignment submissions
•	—	Collect submissions as audio/video recordings
•	•	Download assignments as a ZIP archive
•	—	Collect ePortfolios created within the LMS
Gradebook		
Canvas	EEE	Task
•	•	Weight groups of assigments
•	•	Distribute scores in a FERPA-compliant manner
•	—	Use a points-based gradebook
•	•	Automatically drop assignments
•	—	Specify assignment to never drop when dropping assignments
—	•	Manually adjust final letter grade
—	•	Manually override final letter grade
•	•	Transfer final letter grades to University Registrar
•	•	Set custom grade scale
•	•	Import/grades scores as CSV
—	•	Upload comments to students
Quizzes		
Canvas	EEE	Task
•	•	Randomize quiz question answers
•	•	Randomize quiz questions
•	•	Provide feedback per question and per quiz
•	•	Provide a view of scores for students
•	•	Allow the use of mathematical symbols.
•	—	Import quizzes from other LMSs or publisher quiz banks
•	•	Export quizzes in QTI format for use in other LMSs

Feature Comparison

Calendar		
Canvas	EEE	Task
•	•	Set start and end time for events
•	•	Automatically display quizzes, assignments, etc.
•	—	Provides a way to sign up for appointments in calendar
•	—	Ability to provide an RSS subscription feed
—	•	Display class meeting times
—	•	Display class final times
Discussion Boards/Forums		
Canvas	EEE	Task
•	•	Supports threaded discussions
•	—	Grade posts/replies
•	•	Embed links in forums
—	•	Post anonymously
•	•	Moderate posts
•	—	Like posts
•	—	Use discussion posts as assignments
—	•	View word count statistics for participants
Messaging Features		
Canvas	EEE	Task
•	—	Send messages to individuals from within LMS
•	—	Send messages to classes from within LMS
•	•	Post announcements to course
—	•	Add additional email addresses to receive class emails
—	•	Provides an email address for the class
—	•	View and maintain archive of class emails
Collaboration Features		

Feature Comparison
