SECTION III - RECOMMENDATION

Please provide any comments that you feel might assist us in making a decision concerning the applicant’s suitability for a 2-week summer engineering and computer science program. Please pay particular attention to (1) The motivation and commitment of the student to a career in engineering, computer science, mathematics, physics or technology; (2) class standing compared to other students in your classes; (3) a general assessment of the strengths and weaknesses of the candidate; (4) applicant’s ability to adapt to supervision and work in a team setting.

(Please continue on back or submit recommendation in a separate document, if needed.)

Overall Assessment: □ Highly Recommend □ Recommend with confidence □ Recommend with reservation □ Do not recommend
