Instructions to Instructor

Do not alter this coversheet in ANY way. Substantial delays and additional fees may apply.

Instructions to Student

1. Clearly print your Last Name, First Name and the Date
2. Clearly print your Student ID number in the boxes provided. Use large, dark numbers. These numbers are captured automatically during the scanning process.
3. Bubble in each number of your Student ID completely. The bubbles are used only if your written ID number is not captured.
4. Write your Name and Student ID number in the upper right corner of all following pages of your exam.

Last Name, First Name: KEY

Date: ___/___/___

STUDENT ID:

For Access UCI student, leave first column blank then enter your 7-digit Student ID number.
