

## User Satisfaction Survey (Instructors & TAs)

On February 8th, 2016, Michael Dennin (Vice Provost, Division of Teaching and Learning & Dean, Division of Undergraduate Education) and Dana Roode (CIO & Associate Vice Chancellor, Office of Information Technology) announced the adoption of the Instructure Canvas learning management system at UCI.

To help inform this multi-year adoption and transition, the Office of Information Technology is conducting quarterly user satisfaction surveys for instructors, TAs, and students.

There's still a lot that needs to be done; your ongoing feedback and input is both welcome and essential.

The results of these assessments will be shared on the EEE Canvas information site at: <http://sites.uci.edu/canvas/>
