

UCI CHEM-SURF

Chemistry Summer Undergraduate Research Fellowship

ABOUT

The Chem-SURF program is a Research Experience for Undergraduates (REU) Site at the University of California, Irvine funded by the National Science Foundation. Chem-SURF provides summer research opportunities and professional training for undergraduate students to conduct chemical research at UCI.

Program highlights:

- 10-week summer research program
- Valuable hands-on research experience in all contemporary areas of chemistry
- Guided by any of the UCI Chemistry faculty mentors
(<https://www.chem.uci.edu/>)
- State-of-the-art UCI research facilities
- Workshops and seminars on research, career planning, and applying to graduate school
- Chem-SURF Research Symposium
- Travel and housing costs included
- Stipend (\$600/week) for living expenses

APPLY

Visit <https://sites.uci.edu/chemsurf/> to access the application site.

APPLICATIONS ARE DUE MARCH 1ST

Chem-SURF Program
UCI Department of Chemistry
1102 Natural Sciences II
University of California, Irvine
Irvine, CA 92697-2025
