# UCI School of Humanities Career Development

Dear Humanities Undergraduates,

We are writing to you with some exciting news! We now have a dedicated email listserv and Instagram account to keep Humanities undergraduates informed about career development opportunities – including internship opportunities and professional development programming – as well as research opportunities, global learning opportunities, and more!

Look for emails from *School of Humanities Career Development* and follow @ucihumcareerdevelopment on Instagram to stay connected on these topics!

## Winter & Spring Quarter Opportunities, Events, and Workshops:

### Humanities Internship Prep Program | Winter Quarter 2023 – CLOSED FOR WINTER 2023

The Division of Career Pathways is partnering with the School of Humanities to support Humanities majors looking for an internship. Students can join the Humanities Internship Prep Program (HIPP) in Winter 2023 to prepare for the internship job market and earn up to \$500! Full details are available here: <https://career.uci.edu/hipp>. *NOTE: HIPP is closed for Winter 2023. Look out for the program again next year!*

### DCP Internship Month | January 12-27, 2023

Internship Month is going on now through Friday, January 27! During this time, the Division of Career Pathways (DCP) will host signature in-person events, virtual events and promote various resources and opportunities across campus to help students make the most out of internship opportunities. View the full schedule and register for events here - <https://career.uci.edu/internship-month/>.

### UCDC + Humanities Workshop | February 1, 2023

Wondering how Humanities undergrads can intern in Washington, D.C.? Attend a special UCDC information session tailored for Humanities majors! February 1 at 12pm. Lunch will be provided. RSVP on CampusGroups: <https://cglink.me/2eo/r1925936>

### New Course! Humanities 95 Professional Development | Spring Quarter 2023

The School of Humanities is offering a brand-new course in spring quarter to introduce Humanities undergraduates to various field study and experiential learning opportunities in Humanities and at UCI. The course will include internship and research exploration and preparation activities designed to equip students with the skills necessary for career readiness and professional development. Enrolled students will receive 2 units of workload credit.

Please contact us at [humcareerdevelopment@uci.edu](mailto:humcareerdevelopment@uci.edu) with any questions.

Best wishes for a wonderful winter quarter!

Sincerely,
