Attention Graduating Students!

Please take a few minutes to complete the **Division of Career Pathways' First Destination Survey (FDS)**. The FDS is a quick online survey (takes less than 3 minutes) that collects your post-graduation plans anonymously. By participating, you can:

- Improve programs and career services.
- Safeguard the value of your degree.
- Inspire future graduates to achieve their career aspirations.

No matter your career plans, complete the FDS! Your insights are invaluable.

Plus, did you know? Recent UCI graduates enjoy FREE access to Handshake job postings and career fairs for one year after graduation! Learn more on DCP's [Alumni Services page](#).
