

**All courses for the major must be taken for letter grades.**

**Residency Requirement in the major:** At least five upper-division courses required for the major must be completed successfully at UCI. Students are encouraged, however, to complete up to a year of their language study in approved programs of study abroad.

**Testing Information:** A placement exam is required for enrollment in any East Asian language course at UCI. Sign up for the written placement exam at [www.testingcenter.uci.edu](http://www.testingcenter.uci.edu). Complete an oral placement exam with the East Asian Studies Department. After your oral interview, you will receive your final placement and an authorization code to enroll in the appropriate language course.

**Students with no background** who wish to enroll in the 1A level of Chinese, Japanese or Korean should fill out a Language Background Survey. Check [testingcenter.uci.edu](http://testingcenter.uci.edu) "Placement Testing Program" for more information.
