

Underrepresented Genders in Physics & Astronomy at UCI

Mission of UNITY

- To create an inclusive/supportive environment for people of underrepresented genders in P&A
- To improve the experience of minoritized genders in P&A at UCI and beyond
- To increase the retention rate of minoritized genders in P&A
- To recognize and improve the experience of people in P&A whose experience of gender intersects with other minoritized identities

Activities

- Social events
- Mentoring program
- MVP speaker series
- Grad School Support Scholarship
- Workshops and panels
- Outreach
