Churchill, Fulbright, Gates, Knight-Hennessy, Marshall, Mitchell, NSF, Rhodes, Schwarzman, & Soros Scholarships Pre-Application

Will you graduate or have already graduated in 2018? *

Yes ▼

If you win a scholarship, you will likely begin your study/research in Fall 2018. If you plan to apply to the Churchill, Fulbright, Gates, Marshall, Mitchell, Rhodes or Schwarzman, this may conflict with your plans to begin graduate school in the US in Fall 2018, and you may have to defer US graduate school to accept one of these awards. If you plan to apply for the Knight-Hennessy, NSF or Soros, you will use the scholarships to fund US graduate school.

Applying for (check all that apply; for Fulbright indicate country):

It is your responsibility to familiarize yourself with the purpose of the scholarship(s). Only select those that match your goals. [In another section of this document you'll need to provide details of your academic study or research plans for each scholarship you select.](#)

Churchill

1 year graduate study in engineering/math/science at Cambridge University in England.
US citizens only. Requires very high GPA, extensive research experience, 4 letters of recommendation.
[Read more about the Churchill scholarship »](#)

Fulbright

1 year study, research, creative project, or English teaching in one of ~140 host countries.
US citizens only. May need advanced foreign language skills, requires 3 letters of recommendation.
[Read more about the Fulbright scholarship »](#)

Gates

Graduate study in any major at Cambridge University in England.
Requires very high GPA, extensive service experience, 3 letters of recommendation.
[Read more about the Gates scholarship »](#)

Knight-Hennessy

Graduate study in any major at Stanford University in California
Requires very high GPA, extensive leadership experience, 1 letter of recommendation.
[Read more about the Knight-Hennessy scholarship »](#)

Marshall

2-3 years graduate study at any United Kingdom university.
US citizens only. Requires 3.7+ GPA, leadership, service, 4 letters of recommendation.
[Read more about the Marshall scholarship »](#)

Mitchell

1 year graduate study at any university in the Republic of Ireland.
US citizens only. Requires very high GPA, leadership, service, 4 letters of recommendation.
[Read more about the Mitchell scholarship »](#)

NSF

Graduate research in science, engineering, math or social science at any U.S. university.
U.S. Citizens only. Requires extensive research experience, 3 letters of recommendation.
[Read more about the NSF fellowship »](#)

Rhodes

2 years graduate study at Oxford University in England.
Requires very high GPA, leadership, service, athletic participation, 5-8 letters of recommendation.
[Read more about the Rhodes scholarship »](#)

Schwarzman

1 year leadership development master's at Tsinghua University in Beijing, China.
Requires leadership, service, 3 letters of recommendation.
[Read more about the Schwarzman scholarship »](#)

Soros

1-2 years graduate study in any major at any U.S. university.
Immigrants or children of immigrants only. Requires commitment to accomplishment, 3-5 letters of recommendation.

Proposal: *

(2000 character max including spaces)

In paragraphs, please describe your proposed graduate institution(s) and degree program(s) OR research/creative project idea. Be specific about your approach and plans. If interested in abroad scholarships, include why this work should be conducted abroad and anticipated benefits for the US and your host country. [Hide example](#) ▲

Example: "I will apply to Fulbright for Mexico to complete a 1-year research project on the economic effects of NAFTA on small farm businesses. I would like to access multiple quantitative data sources at archives hosted at the National Autonomous University of Mexico as well as government data. I will seek mentoring from world-renowned expert..."

I will apply to Fulbright for Mexico to complete a 1-year research project on the economic effects of NAFTA on small farm businesses. I would like to access multiple quantitative data sources at archives hosted at the National Autonomous University of Mexico as well as government data. I will seek mentoring from world-renowned expert Dr. John Brown.

Extracurricular Activities: *

(1000 character max including spaces)

In complete sentences, please describe your activities outside of the classroom, such as research, clubs, volunteering/public service, work/internships, arts productions, etc. Include anecdotes or details such as specific skills you developed or concrete accomplishments.

I have been an intern in the medical offices of Dr. Oliver Sacks for the past 6 months, and while I mostly make appointments, I have learned a lot about the day-to-day operations. I care about being a well-rounded person, so I also participate in Running Club. This also gives me an opportunity to learn about exercise and the body, and I have completed various First Aid classes for the club.

Leadership: *

(1000 character max including spaces)

In complete sentences, please detail any leadership roles you have held in on- or off-campus organizations (such as club officer, coach, mentor, tutor, teacher, etc.). Include anecdotes or details such as how many people you led, specific accomplishments or improvements you made.

I was President of Alpha Alpha Alpha Medical Volunteering Fraternity for 1 year. I planned activities for 20 people, and was available to help them with their needs. We received a certificate for our work at CHOC. Also, I was Webmaster for Running Club for 1 year. I kept the Wordpress site up-to-date and added photographs from our meets.

Summer 2017 Commitments *

(280 character max including spaces)

Campus endorsement interviews and the majority of your application work will occur this summer. You must be available to meet in person with SOP staff and faculty recommenders. Please list any commitments that could prevent you from doing so. Examples include study abroad, full-time employment, enrollment in summer sessions and living outside of Southern California.

I will be working at a summer camp from July 9 - July 18, but I will be free the rest of the summer.

The bulk of your application draft writing, correspondence with faculty recommenders, and advising from SOP staff will occur during Summer 2017. Scholarship candidates must be available to participate in these activities and attend an August interview on campus for your application(s) to earn consideration for UCI endorsement.

By checking this box you are acknowledging that you will participate in these activities and attend an August interview on campus for your application(s).
