Reading: Sections 2.3 and 2.4. In 2.3, ignore the section on Applications.

Note: This assignment is slightly shorter than usual (only 11 problems), in order to give you some time to study for the midterm.

Note: The midterm will take place on **Friday, May 3, 2019**, during the usual lecture time and the usual lecture room. It will cover everything from sections 1.2 up to *and including* 2.4. I will post a study guide and a practice exam by Monday the latest, so you'll know exactly what to study.

- **Section 2.3:** 9, 12(a)(b), 13

- **Section 2.4:** 1, 2(c)(f), 3(a)(b), 4, 9, 10(a)(b), 14, 19
