

Math 121A – Non-Homework

Peyam Tabrizian

Never due

Reading: Section 5.2. Skip the parts on “Systems of Differential Equations” and “Direct Sums”

Note: This assignment is never due and you do not have to turn it in. It is just meant to be extra practice with questions from section 5.2, which is fair game on the final.

The **Final Exam** takes place on Tuesday, June 11, from 1:30 pm to 3:30 pm in our usual lecture room (PSCB 140). It is cumulative and covers everything from section 1.2 to section 5.2 inclusive. Over the next couple of days, I will post a study guide, a practice exam, some review-type questions, and some extra chapter 5 videos. I will also have extra office hours on Friday from 2 to 3 and on Monday from 3 to 4:30.

- **Section 5.2:** 1(a)–(g), 2(d), 3(a), 7, 8, 11, 12, 18(b)
