

## **UCI Libraries Research Tools & Services:**

Digital Scholarship Services:

<http://www.lib.uci.edu/dss/>

These tools/services help researchers to be in compliance with grant funding agency requirements for data management plans and data sharing:

- Data Management Plan Tool (templates for NIH, NSF, NEA, DOE, NOAA, IMLS, Moore, Sloan, etc.):  
<https://dmptool.org/>
- DMP Editor:  
[http://www.openmetadata.org/site/?page\\_id=373](http://www.openmetadata.org/site/?page_id=373)
- DASH: Data Sharing Made Easy:  
<https://dash.lib.uci.edu/xtf/search>

EZID: <http://ezid.cdlib.org/>

Create [digital object identifiers](#) (DOIs) or [archival resource keys](#) (ARKs) to persistently identify your data files or objects for citations, etc.

eScholarship--open access repository for pre-print/post-print articles; includes free peer-reviewed online journal publishing platform: <http://escholarship.org/>

- UCI Departments/Research Centers:  
<http://escholarship.org/uc/search?smode=browse;browse-department=yes>
- Examples of peer-reviewed OA journals using eScholarship platform:  
<http://escholarship.org/uc/search?smode=browse;browse-journal=yes>

Legacy Archival Media Migration Platform (LAMMP):

<http://www.lib.uci.edu/dss/preservation/index.html>

Web Archiving Service:

<http://webarchives.cdlib.org/>
